

Neuroanatomy Courses at Other Colleges
Updated January 28, 2014

Acceptable for Our Program	Not Acceptable for Our Program
Biology I23: Neuroanatomy Sacramento State	Psychology I10: Psychobiology St. Mary's College
Bioi 326: Neurobiology Azusa Pacific University	Psych I17 UC Berkeley
Bio1 4510: Neurobiology Cal State East Bay	Nbp/Psych I24: Comparative Neuroanatomy UC Davis
KPE 485/585: Neurological and Pathological Foundations for Kinesiotherapy CSU Long Beach	Psy 340: Biopsychology Cal Poly, San Luis Obispo
PHYAN 130: Neuroanatomy CSU Fresno	Biology 125: Neuroscience UC Santa Cruz
Psych 166: Human Neuropsychology Santa Clara University	NPB 100: Neurobiology UC Davis
COGS 107A,B,C: 3 course sequence (MUST TAKE ALL 3 & will need to know sensory & motor tracts) UC San Diego, UC Davis	NPB 101: Systemic Physiology UC Davis
SPORT 340: Fundamentals of Neuroscience University of San Francisco	SCCC 330P: Introduction to Neuroscience University of South Carolina
BIOL 435: Neurobiology: Neuroanatomy Cal State LA	PHYAN 140: Neurophysiology CSU Fresno
KINE 406: Neuroanatomy Cal Poly San Luis Obispo	NSC 1306: Introduction to Neuroscience Baylor University
MCB 63: Functional Neuroanatomy UC Berkeley	Psych 360: Brain and Behavior I Lawrence University (Wisconsin)
BIO 3800: Human Neuroanatomy and Neurophysiology Dominican University of California	HDP 110: Brain and Behavioral Development UC San Diego
XB 160: Neurology UCB Extension	ANBI I40: Evolution of the Human Brain UC San Diego
PSC 121: Physiological Psychology UC Davis	COGS I07A (does not qualify alone; needs 3 part series- see accepted list) UC San Diego
X412: Functional Neuroanatomy (online), Physiological Sciences. 4 units	BILD12: Neurobiology and Behavior UC San Diego
ASLS 555-932 Neuroanatomy and Neurophysiology of Communication - University of Northern Colorado - Office of Extended Studies	NII0: Neurobiology and Behavior UC Irvine
Clinical Neuroanatomy - National Academy of Neuropsychology - online course Cognitive Neuroscience COG SCI C127 – UC Berkeley	Zool417: Neuroanatomy Eastern Michigan University
Psych 370, Physiological Psychology, University of Michigan	PSYCH II6: Behavioral Neuroscience Lab UCLA
Functional Neuroanatomy, UCLA Extension, 4 units	BIOL 570: Neurobiology San Diego State University
	HPWE 377- Neurological Impairment CSU, Monterey Bay
	PSYC 115: PRINCIPLES OF BEHAVIORAL NEUROSCIENCE
